SUMMARY

Detail-oriented and initiative Frontend Developer with over 3.5 years of experience in building modern, responsive, and user-friendly web applications. Passionate about solving complex problems and continuously improving skills through new challenges. Highly responsible, punctual, and dedicated to delivering clean and efficient code.

WORK EXPERIENCE

Frontend Developer — SoftArchitect **March 2022 - Present**

- Developed and maintained dynamic web applications using React, TypeScript, and Redux.
- Collaborated with backend developers to integrate REST APIs and optimize data flow.
- Improved UI/UX performance by implementing responsive layouts with Bootstrap and CSS.
- Participated in code reviews and refactored legacy code to enhance maintainability.

EDUCATION

Prog Academy — Frontend Development Course **June 2021 - Jan 2022**

Completed an intensive training program focused on JavaScript, React, and modern web technologies.

Gained hands-on experience building interactive web applications and solving real-world development tasks.
